Did my Corporate Trainer TTT with Protouch and I am highly satisfied with the services.

The course is designed with such minute detailing that it goes right into your head. Their Master Trainers, Dr Aparna and Rahul have great knowledge and command over the subject which makes learning smooth and fun. The best part is that one would not feel the eight hours long at all due to the way the module is designed.

Many thanks to Team Protouch for smooth coordination and an amazing learning to.
