I'm delighted to share that I am now a Certified Leadership Trainer, having successfully completed the Certified Course on Leadership Training from Protouch.

This immersive journey has been both enriching and transformative — offering deep insights into strategic leadership, emotional intelligence, influence without authority, coaching mindset, and fostering high-performing teams in today's ever-evolving work environment.

A heartfelt thank you to Rahul Sethi for your exceptional mentorship throughout the course. Your clarity, energy, and ability to connect concepts with real-world challenges made every session impactful. I'm especially grateful for the way you encouraged authentic reflection and application-based learning.

With this certification, I'm excited to further contribute to building empowered, emotionally intelligent, and future-ready leaders and teams.

A Transformational Leadership Training Experience!

I recently completed the Certified Leadership Trainer Programme, and I can confidently say that this training has been a game-changer in the way I approach leadership. The sessions were not just theoretical but deeply practical, engaging, and insightful, providing me with real-world leadership tools that I can apply immediately.

One of the biggest takeaways from this program was learning to analyze situations from a leadership lens rather than just a managerial perspective. The introduction to models like AAA (Awareness, Assessment, Action), PICK (Possible, Implement, Challenge, Kill), and RICE (Reach, Impact, Confidence, Effort) completely transformed how I prioritize, delegate, and resolve conflicts.

The sessions on difficult conversations, conflict resolution (Thomas-Kilmann Model), SBI-E feedback framework, and 5W-1H structured thinking added so much depth to my leadership approach. The real-world case studies and scenario-based discussions ensured that the learnings weren't just theoretical but practical and applicable in daily leadership challenges.

A special thanks to Mr. Rahul Sethi, whose expert facilitation, engaging delivery style, and deep leadership insights made this training truly impactful. His ability to break down complex leadership challenges into simple, actionable steps has completely changed the way I approach my role as a leader.

If you're looking for a leadership training program that doesn't just teach concepts but shifts your entire perspective on leadership, this is the one! Highly recommended for professionals looking to enhance their leadership skills with practical, structured, and high-impact tools.

Thank you once again to the entire training team and especially Mr. Rahul Sethi for an outstanding and enriching learning experience! 🚀
